We will begin to discuss various community helpers, and would love for you to share your career with our students (more info below). This month will begin to trace names so please encourage your child to do the same at home and celebrate it when you see it.

February Focus:

Letters: O, P, Q, R
 Shape: Heart
 Color: Pink
 Number: 6
 Sight Word: Love

A few dates and notes to remember:

- **Join us for Parent Chapel on the 4th**– please join us as the children love to share what we do in chapel with their family. If you are unable to attend and have a family member in the area they are welcome to join us!
- **BBWP – Public Registration begins on the 4th** – If you know of anyone who would like to join our school next year, please invite them to register asap as classrooms fill up quickly, thank you.
- **Pajama Day is on the 15th** - please make sure your child wears shoes and jackets appropriate for outside/gym play
- **Community helpers** – I will be sending out another signup Genius so that parents can sign-up to share their career with our classroom. The children LOVE to see parents come in and discuss their job. If you are currently not working but want to share a previous job experience with us, we'd love to hear that too!
- **Please send in an empty cereal boxes ASAP** – we use them to decorate and use as the student's Valentine's Day Box. Due to some cultures, not everyone eats cereal – THAT IS OK! We will make sure your child is covered!! If you have more than one you'd like to send in they will be greatly appreciated.
