

Ms. Cindy's 4 Year Old Class March Newsletter 2019

HELLO

I cannot believe the end of the school year is only a few months away. Your children have grown so much, not just physically but spiritually and academically. I cannot tell you how proud I am of each one of them. More importantly seeing their LOVE for Jesus grow, watching them worship Him, and Pray to Him, helping them make Jesus their FIRM and STRONG foundation, that is why I LOVE my job. Each year Jesus blesses me with new little ones and each year through them, I myself, am reminded how Precious His love is and how much He loves me.

In class Objectives/Activities

- The children will become familiar with Dr. Seuss and learn the science behind “oobleck”
- We will be discussing different types of transportation and we will be exploring the differences over time in the types of transportation
- The children will observe, predict, and investigate the meaning of physics through force, motion, and energy using car ramps
- The children will demonstrate and employ an understanding of all different aspects of literacy and language arts

Important Dates & Reminders

Monday – 3/4 – **Silly Sock day** – please have your child wear silly, non matching socks today as we celebrate Dr. Seuss & have a special guest reader.

Tuesday – 3/12 – visit from York Co. Fire Dept.

Tuesday– 3/19 – **GRADUATION PICTURES**. Complete with cap & gown. (More details to follow)

Tuesday – 3/26 – **Mother's Day Tea** – mom's please join us at 11:30 in the Agape center so we can honor you. Light refreshments will be served

At Home Activities

Since March is Literacy month read, play games, sing songs, make up silly rhymes, use puppets and art to make and talk about a story, play and engage with your little one. Most importantly have fun with language arts.

THANK YOU FOR YOUR SUPPORT

If you have any questions or concerns please email me at ccook@bbwp.bbcyorktown.org

or speak with me before / after class.
